INDEPENDENT AUDITORS' REPORT

Support for Improvement in Social and Economic Living Association Board of Directors:

We have audited the accompanying balance sheet of Support for Improvement in Social and Economic Living Association (the "Association") as at 31 December 2016, and the related statement of income for the year then ended, and a summary of significant accounting policies and other explanatory notes.

Management of the Association's Responsibility for the Financial Statements

The management of the Association is responsible for the preparation of the financial statements in accordance with the accounting policies indicated in the footnote III, as well as fair representation of the statements. This responsibility contains designing and implementing the required internal control system, making appropriate accounting estimations in accordance with the existing conditions, determining and implementing the appropriate accounting policies for the purpose of reflecting the financial position honestly and appropriately by preparing the financial statements without any material misstatements based on error or fraud.

Auditor's Responsibility

Our responsibility is to express an opinion on these financial statements based on our audit. Our audit has been conducted in accordance with the International Auditing Standards. Those standards require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance as to whether the financial statements are presented fairly and free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on our judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, we consider internal control relevant to the entity's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. An audit also includes evaluating the appropriateness of accounting principles used and the reasonableness of accounting estimates made by the management of the Association, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Opinion

In our opinion, the financial statements present fairly, in all material aspects, the financial position of Support for Improvement in Social and Economic Living Association as at 31 December 2016, and of its results of activities for the year then ended in accordance with the accounting policies described in Note III to the accompanying financial statements.

Emphasis of matter

Without qualifying our opinion we would like to draw your attention to the following matter:

Accounting policies applied by the Association differ from the accounting principles generally accepted in other countries and International Financial Reporting Standards ("IFRS") and the effects of such differences have not been quantified in the accompanying financial statements. Accordingly, the accompanying financial statements are not intended to present the financial position and results of operations, and changes in financial position of the Association in accordance with the accounting principles generally accepted in such countries of the users of these financial statements or with IFRS.

Notes to the Financial Statements

(Currency - Turkish Lira ("TL"))

I. Organization and the nature of the Association

Support for Improvement in Social and Economic Living Association was founded on February 6, 2012 in İstanbul Turkey. The headquarters of the Association is located at the address: "Otağtepe Caddesi, Taman Sokak No. 19, Kavacık, Beykoz, İstanbul".

Association has been founded in order to realize the projects it will organize by struggling with poverty, creating employment, creating projects towards the development of women and youth, making collaborations with the entities in national and international area which have civil and other similar targets, keeping its loyalty to United Nations Millennium Targets and in particular observing the problems of the least developed countries in order to ensure a qualified and sustainable development in social and economical aspects without boundaries in national or international areas.

In line with the above objective, the Association has concluded a collaboration agreement in 2012 with the non governmental organization called Women Advancement and Child Care ("WACC") which was established in Gambia. The objective of this agreement was to support a sustainable feeding and development in various regions and villages in Gambia. To this end, the Association and WACC made a collaboration with regard to providing source and training in order to realize fishing, animal breeding and similar activities; develop computer, welding, carpentership, sewing and similar skills; and providing micro loans to housewives who currently undertake the activities of small sized entities. As at 1 September 2014 this cooperation was terminated. After this date, the Association maintains its activities by a member of the Association who is assigned to Gambia.

The Association, in order to provide support for the projects it has targeted to realize in Gambia, has got in some contacts with Turkish Republic Prime Ministry Turkish Cooperation and Coordination Agency Presidency ("TİKA"). At the end of these contacts, TİKA ensured that, under the scope of the mentioned projects, 5 pieces of fishing boats have been directly sent to Gambia. In 2014, the Association has made cooperation agreements with Cemiyetül Hayr Relief Organization, Action Aid and UNISANA – Bologna in the scope of Gambia project.

Association started new projects to support sustainable development and nutrition in another least developed country, Senegal. In direction of the goals of the projects, the Association has signed a collaboration agreement with the non-governmental organization Cemiyetül Hayr Relief Organization in Senegal. In line with the Association purposes the agreement with COFI, Association has started draw well, sheep&goat farming, solar panel systems, mill, bakery education, seeding, solar cookers, micro credits and suchlike projects in March 2015.

The Association signed a protocol with Sen De Gel The Gambia on August 3, 2016 to provide sustainable development, increase employment and contribute to social development.

II. Basis of presentation of the financial statements

Basis of presentation

The Association keeps its financial records in Turkish Lira ("TL") in line with the Turkey's current trade laws. In 1994, Ministry of Finance published Standard financial statement forms prepared by the foundations and General Directorate of Foundations has published an uniform chart of accounts which will be effective since the year 1995 and based on the basic concepts of accounting and reporting standards regarding to the financial statements will be prepared by the tax-exempt foundations. The Association has designed the accounting plan according to the specified concepts.

The financial statements are prepared on the historical cost basis.
